

Consideration of recommendation for preliminary adoption to amendments to 312 IAC 8, which governs the use of DNR properties, that pertain to the definition of “mushroom” and to the possession of alcoholic beverages on designated youth camp sites; Administrative Cause No. 11-192P

For consideration as to preliminary adoption are amendments to 312 IAC 8 to remove the term “edible” from the definition of “mushroom”. This modification is made in response to an NRC directive when several definition amendments were given final adoption in July 2011. A second modification would prohibit the possession or consumption of an alcoholic beverage at a designated youth tent site. The recommendation is that preliminary adoption be given to these amendments as set forth in Exhibit “A”.
